<b>Tempest Kit Application Guide</b>																												
<p>Tempest magneto replacement parts are made to specifications dictated by the Federal Aviation Administration parts manufacturing approvals. Tempest magneto parts are the highest quality, direct replacement parts, approved for installation and use on certified aircraft. Most Tempest part numbers include the part number of the original manufacturer, ensuring an easy determination of replacement applicability. Always refer to the parts and service manual of the original equipment manufacturer, or Aircraft Type Certificate Data Sheets or other FAA approved data to determine eligibility of a part or component for use in any application.</p> <ol style="list-style-type: none"> <li>Below are the contents of the Repair Kit and the Deluxe Repair Kit</li> <li>The Component Part Kits Contain Installation Hardware</li> <li>The Repair Kit and Deluxe Repair Kit for the Bendix - 200 , - 201 and - 202 series magnetos contains two sets of contact assembly kits. <table border="0" style="width:100%; border-collapse: collapse;"> <thead> <tr> <th style="text-align:left">Repair Kit</th> <th style="text-align:left">Repair Kit</th> </tr> </thead> <tbody> <tr> <td>1- Contact Assy.
